STIPULATION

WHEREAS, the above-captioned cases have been deemed related pursuant to Local Civil Rule 3-12;

WHEREAS, there are currently pending approximately 23 separate actions alleging antitrust violations in connection with Flash products, and a motion for transfer and coordination of these cases pursuant to 28 U.S.C. Section 1407 is currently pending with the Judicial Panel on Multidistrict Litigation;

WHEREAS, the parties believe it would be unwieldy, inefficient, and unproductive to conduct alternative dispute resolution discussions in the many pending actions until an interim lead plaintiffs' counsel is appointed;

WHEREAS, the parties anticipate the Court's appointment of interim lead class counsel who shall have responsibility for consulting with other plaintiffs' counsel in the selection of alternative dispute resolution;

WHEREAS, pursuant to Civil Local Rule 16-8(b) and ADR Local Rule 3-5(b), the undersigned direct purchaser plaintiffs, indirect purchaser plaintiffs, and defendants in these actions, by and through the undersigned attorneys, have met and conferred regarding these issues;

PLAINTIFFS AND DEFENDANTS, BY AND THROUGH THE UNDERSIGNED COUNSEL, HEREBY STIPULATE AND AGREE AS FOLLOWS:

1. The parties agree that the selection of an alternative dispute resolution process is premature at this time;

2. The parties agree to resume discussions on the selection of an alternative dispute resolution process after the appointment of interim lead class counsel, and in the context of further meet and confer discussions on case management.
